

## Appendix 6I: Scoring Rubric for Individual Presentation

*Supplement for Chapter 6 from Language for Specific Purposes: Trends in Curriculum Development, edited by Mary K. Long. Washington, DC: Georgetown University Press, 2017.*

Name of Presenter: \_\_\_\_\_

This presentation assignment focuses on your work on the project to date. The assignment will not be used to assign a grade. Your instructors will evaluate your presentation to provide feedback to you. The scoring categories are indicated below. For each category, you will receive a check “✓” in the box that indicates the most appropriate mark. At the bottom of this form, please read the comments from your instructors.

Category	Scoring		
	Yes, very much so	Sort of	No, not really
The presentation helped me to understand the area of Engineering that you are most interested in (and not just about the field of Engineering)			
The presentation explained the kinds of work that is done in this area of Engineering.			
The presentation helped me to understand the kinds of tasks an engineer would complete.			
The presentation helped me to understand the knowledge and skills that are required by engineers working in this area.			
The presentation was informative. I heard about and understood things in this area that I knew little about before.
